- Standard header and footer?
- Preprocessor
 - They aren't teaching LESS any longer, but they still use SASS in React, will it be useful for us to learn it a little early?
 - How difficult is it to install a preprocessor on Windows?
 - * And if we are going to have to do it eventually anyway, might we just as well figure it out now regardless?
 - * Perhaps after finishing bulk of work i.e. Wednesday or Thursday?
 - Interaction with other development tools e.g, Live Server, gint**
